

Terms of Use – Armadillo.live

V.1 Last Updated: April 2026

PLEASE READ THESE TERMS OF USE CAREFULLY. BY ACCESSING OR USING THE PLATFORM, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREE TO BE BOUND BY THESE TERMS.

Introduction

These Terms of Use (“Terms”) govern your access to and use of Armadillo.live (the “Platform”).

Armadillo.live is a simulation-based competition platform that enables users to participate in structured market-based tournaments using demo environments. The Platform is provided for educational and entertainment purposes only.

Armadillo.live is owned and operated by EDUCATRADER LTD, a company registered in the United Kingdom under company number 15668675, with its registered address at: 71-75 Shelton Street, London, WC2H 9JQ, United Kingdom

By accessing or using the Platform, you agree to be bound by these Terms.

Nature of the Platform

The Platform provides:

- Simulation-based competitions using demo accounts
- Performance-based rankings and leaderboards
- Tournament formats with predefined rules

Armadillo.live:

- Does not operate as a broker
- Does not execute trades

- Does not hold or manage client funds

All activity on the Platform takes place in simulated environments powered by third-party infrastructure.

Eligibility

To use the Platform, you must:

- Be at least 18 years old
- Have the legal capacity to enter into binding agreements
- Comply with all applicable laws and regulations

The Platform is not intended for individuals who are residents or citizens of the United States, or for use in any jurisdiction where such use would be unlawful.

Educational and Non-Advisory Disclaimer

Armadillo.live operates within an ecosystem that includes educational content provided through EducaTrader.

All content, simulations, and materials available on the Platform:

- Are provided for educational and entertainment purposes only
- Do not constitute financial or investment advice
- Should not be relied upon for real-world trading decisions

Users acknowledge that participation is at their own discretion and risk.

Risk Disclosure

Participation in simulation-based competitions involves risk, including:

- Misinterpretation of market conditions
- Unrealistic expectations based on simulated performance

- Behavioral bias when transitioning to real-market environments

Performance in simulation tournaments does not guarantee future results.

Users should not engage in real trading with funds they cannot afford to lose.

Third-Party Services and Affiliates

The Platform integrates with and references third-party service providers, including broker partners and affiliates.

Armadillo.live receives compensation from such partners in connection with user introductions or referrals.

Any engagement with third-party providers is optional and subject to their respective terms and conditions. Armadillo.live does not control and is not responsible for the services, content, or performance of any third-party provider.

Any services provided by third-party brokers, including account opening, trading execution, and prize issuance, are governed exclusively by the terms of such providers.

Tournament Rules

Each tournament on the Platform is governed by its own specific rules, which may vary depending on the structure of the competition and the third-party broker infrastructure powering the tournament.

Tournament conditions are defined in collaboration with the relevant third-party provider and may reflect their specific environment.

Tournament parameters may differ and can include:

- A defined starting virtual balance
- Maximum drawdown limits

- Leverage settings
- Trading conditions and available instruments
- Fixed duration and deadlines
- Ranking criteria based on performance metrics

Users are responsible for reviewing the rules and conditions applicable to each tournament before participating.

Violation of tournament rules may result in:

- Disqualification
- Suspension or termination of access
- Removal from rankings

Armadillo.live reserves the right to modify, suspend, or cancel any tournament at its discretion, including where required due to third-party provider conditions or operational requirements.

User Accounts

To access certain features, users may be required to create an account.

Users agree to:

- Provide accurate and complete information
- Maintain the confidentiality of login credentials
- Be responsible for all activity under their account

Armadillo.live reserves the right to suspend or terminate accounts in cases of misuse, abuse, or suspicious activity.

Intellectual Property

All content and materials on the Platform, including but not limited to:

- Logos, branding, and design

- Software and systems
- Tournament structures and formats

are the property of Armadillo.live and/or its licensors.

Unauthorized use, reproduction, or distribution is strictly prohibited.

Limitation of Liability

To the maximum extent permitted by law, Armadillo.live shall not be liable for:

- Any indirect, incidental, or consequential damages
- Loss of data, profits, or opportunities
- Decisions made based on simulation outcomes

The Platform is provided on an “as is” and “as available” basis, without warranties of any kind.

Modifications to the Platform and Terms

Armadillo.live reserves the right to:

- Modify or discontinue any part of the Platform
- Update or revise these Terms at any time

Continued use of the Platform following any changes constitutes acceptance of the updated Terms.

Governing Law & Jurisdiction

These Terms shall be governed by the laws of England and Wales. The courts of England and Wales shall have exclusive jurisdiction over any disputes arising out of or in connection with these Terms.

Important Notice

- Trading involves risk and may not be suitable for all participants
- Simulation performance does not reflect real-market results
- Armadillo.live does not operate a trading server or execute trades
- All activity is conducted via third-party broker infrastructure
