[The text in this block is extremely faint and illegible due to significant damage and fading.]

Your Son
 John

For Roximda Silva

This image shows a document page that is severely damaged and illegible. The paper is heavily stained with brown and black spots, and there are large, irregular white areas where the paper has been torn or removed, particularly along the left and bottom edges. The original text, which appears to be handwritten, is completely obscured by the damage and staining.
