

CORPORATE SUPPLIES POLICY

PURPOSE

To develop processes for the supply for goods and services based on quality and cost criteria to ensure transparent and fair relations with suppliers, with the focus on efficiency and competitiveness.

PRINCIPLES

- We comply with and respect the laws, conventions, agreements, treaties and commitments voluntarily undertaken in the countries where we operate.
- We select our suppliers based on the premises of equality, objectivity and sustainability, which ensure a good cost-benefit tradeoff at the time of the purchase.
- We use supplier management processes that include evaluation and monitoring, which help in continuous improvement and development, risk management and alignment with good practices.
- We disclose to our suppliers our principles and practices related to sustainability, environment protection, labor rights and the implementation of occupational health and safety standards.
