

Dear WHF Members,

We are calling for **nominations for WHF Committees and Expert Groups (EG)** with the aim to engage better with our members and strengthen our work in advocacy and science. All mandates for all Committees and Expert Groups are aligned with the Board mandates, starting 1 January 2025, for two years,

We are calling for nominations for the following Committees and Expert Groups (EG):

Science Committee

Advocacy Committee

Air Pollution and Climate Change EG

Nicotine and Tobacco, Alcohol and Drugs EG

Physical Activity, Nutrition and Obesity EG

Neglected CVD EG

World Heart Observatory Management EG

Roadmaps Development and Implementation EG

The Committees and Expert Groups shall meet four times a year, once in person in Geneva during the WHF World Heart Summit in May and three times via 2-hours teleconference. Members might be involved in specific tasks such as writing groups.

If you are interested or would like to nominate a person to join one of the Committees or Expert Groups, please fill in the [online Application form](#) with a short CV and a short Personal Statement. If you are already member of a committee or EG and wish to re-apply for a second mandate, please fill also the online Application form.

**Nominations should be submitted by October 13, 2024.**

You can find in the [WHF Policies and Procedures](#) a description of the different Committees and Expert groups, as well as the general principles for participation.

Would you have any questions, please feel free to contact the office [info@worldheart.org](mailto:info@worldheart.org).

Best Regards,  
Jean-Luc Eiselé
